

Christ Episcopal School: What We're About

Christ Episcopal School:

- Serves children 3 years old through Grade 6.
- Has provided exceptional educational experiences for children since 1948.
- Provides exceptional educational experiences in the context of Christian faith and values.
- Provides an enriched, developmentally appropriate curriculum.
- Provides an educational program that includes classes in fine arts, Christian Education, Spanish, technology, physical education/health, and safety.
- Maintains a well equipped computer lab to provide an enriched technology curriculum.
- Offers traditional classroom presentations balanced with hands-on activities that reinforce concepts studied in the various subject areas.
- Offers an Extended Day Program that provides after school care for children of all grade levels.
- Includes frequent field trip opportunities throughout the year.
- Provides an on-site Internet connected library with a computerized checkout system for books.
- Students historically and consistently achieve above average to well above average scores in all subject areas on the nationally normed Stanford Achievement Test.
- Fully accredited by The Southwestern Association of Episcopal Schools (SAES) and is officially recognized by the Texas Education Agency as a non-public accredited school with all the rights and responsibilities associated with such recognition.
